Recruiting experts in Accountancy & Finance

### ASSISTANT MANAGER MENTOR THE TEAM

This well established, professional firm has developed a reputation for service excellence, objectivity and provision of clear and practical advice. KPMG are looking for a highly motivated Assistant Manager to join their dynamic and professional team.

You'll be CA qualified and use your accounting, tax compliance skills and experiences to manage complex engagements and client relationships.

You'll coach and mentor your team and assist Managers with the requirements and goals of the practice.

Contact Beccy Partridge at [beccy.partridge@hays.com.au](mailto:beccy.partridge@hays.com.au) or 08 8943 6000.

Recruiting experts in Trades & Labour

### HEAVY DIESEL FITTERS SUPPORT PRODUCTION

Hays Trades & Labour are recruiting Heavy Diesel Fitters for a number of clients across the NT. Along with a suitable amount of post qualification experience, you'll have worked with heavy earth moving equipment with an emphasis on fault finding and breakdowns.

Along with your relevant trade papers, you'll ideally hold a current HR License and have an on-going commitment to safety in the work place.

Both FIFO and metro work is available on a temp to perm basis which are subject to the successful completion of a pre-employment medical.

Contact Allison McAdam at [allison.mcadam@hays.com.au](mailto:allison.mcadam@hays.com.au) or 08 8943 6000.

## HAYS

Recruiting experts in Sales & Marketing

### INTERNAL SALES ADVISE CUSTOMERS

As a leading Australian manufacturer of metal building products, this client believes that good advice and service are just as important as their products. They need an Internal Sales person with a strong customer focus.

You'll respond to calls and emails, enter data and produce works orders, liaise with suppliers and customers and provide quotes on work to be completed.

You'll have strong analytical and problem solving skills, be a team player and customer focused. Your willingness to learn, experience using PRONTO and trade background will be highly advantageous. Full training provided.
