

Mining, engineering & construction

A doorway to so much more...

Join us and experience the lifestyle and career enhancing opportunities that Energy Resources of Australia Ltd (ERA) can provide. ERA prides itself on being a strong and dynamic part of the local community, and makes significant contributions to the Northern Territory.

ERA, majority owned by Rio Tinto, is a publicly listed company that has mined and produced uranium oxide from its Ranger mine in the beautiful and rugged Alligator Rivers area of Northern Territory since 1980.

ERA recently received notification from the Northern Territory Government that it has approved the construction of the Ranger 3 Deeps exploration decline, which means there has never been a better time to come and experience what ERA has to offer – great opportunities, a job that allows you to enjoy the Northern Territory lifestyle and a long-term career with ERA.

ERA is currently recruiting:

Senior Fixed Plant Engineer- NOR000TN

Maintenance Defect Elimination Engineer- NOR00S7

Superintendent Supply- NOR0010Y

Senior Mine Planning Engineer - DAR0002G

Maintenance Planner - NOR0012H

Environmental Specialist - NOR000UY

Health and Safety Superintendent - NOR000V3

Strategic Sourcing Specialist - DAR0002B
