Appendix 1

Species names from Chaloupka et al. (1985). This list is provisional and is in the process of being revised. (Chaloupka, pers. comm.). *, Aboriginal informants interviewed during the Gagudju Species Survey gave the name "barri" to the Black-footed Tree-rat; +, "Pumma-pumma" was also used for the Ghost Rat; **, "yirrku" was the name given for the Water-rat, *Hydromys chrysogaster*.
