Intersection Upgrades for Northern Suburbs

As the Minister for Transport, I recently announced the upgrading of two major intersections in the northern suburbs to improve pedestrian and traffic safety for the community.

The Northern Territory Government is delivering for the people of the northern suburbs with the intersections of Trower/Vanderlin and Trower/Dripstone Roads the focus of upgrades.

The $288 000 project is part of the Government’s plan to upgrade essential infrastructure in the Territory.

We are focussing on the safety of the community and these intersections have been highlighted as a priority.

The Trower/Vanderlin Drive intersection is being upgraded

The works will see the installation of a pedestrian crossing in the left lane from Vanderlin Drive to Trower Road as well as the installation of new signal light to control turning left from Trower Road to Dripstone Road.

Fashion supports Arthritis and Osteoporosis NT Foundation

On Saturday 29 March 2014, I had the pleasure of hosting a fashion event to raise funds for the worthy Arthritis and Osteoporosis NT Foundation at the Blue Illusion boutique at Casuarina Shopping Centre.

Fun was the order of the day, with a styling parade showcasing the latest Autumn Winter collections modelled by charitable helpers, teamed up with handy styling advice.

An enjoyable day was had by all, with 20% of the events proceeds, over $300, going to the Arthritis and Osteoporosis NT Foundation.

The Australian owned French inspired fashion brand Blue Illusion prides itself on driving change whilst embracing the heart and soul of communities.

On Wednesday 9 April, I joined the Coles Northlakes team and their customers to celebrate Coles’ 100th year.

Coles is an invaluable part of our local community; their Northlakes store alone employs over 100 staff and it is through their Local Community Support program, they help grass-roots groups and organisations in providing support to help with fundraisers, raffles, community days and other activities. Congratulations Coles!
