

Voting teams coming to your community for the federal election

A voting team from the AEC will be visiting your local community to enable you to vote in the federal election.

If you cannot vote on election day you can also vote before election day at an early voting centre, or at an interstate voting centre on election day.

Remember, you must be enrolled to vote, and if you're enrolled, voting is compulsory.

If you will not be able to attend one of the polling locations listed below you should contact the AEC for information on how you can vote.
