Group Stage.

movies of the week

The Walk

Saturday, Imparja, 2pm, PG (2015)

Robert Zemeckis (*Forrest Gump*) directs this story of French highwire artist Philippe Petit's tightrope walk between the World Trade Centre's Twin Towers in the mid-1970s. Joseph Gordon-Levitt reaches dizzying heights as Petit, never more so than during his silent walks across the void. It strikes the right balance between the drama of the preparation and the thrills of the climax.

Fantastic Mr. Fox

Saturday, 9Go!, 5.15pm, PG (2009)

Wes Anderson, one of the most innovative and creative filmmakers working today, brings his unique cinematic style to this adaptation of Roald Dahl's classic book. With exquisite stop-motion animation and a stellar voice cast (George Clooney, Meryl Streep and frequent Anderson collaborators Owen Wilson and Bill Murray), this is one of the best family movies to emerge in recent years.

The Lord Of The Rings: The Return Of The King

Saturday, 9Go!, 7pm, M (2003)

Peter Jackson's epic trilogy gave movie fans one of the most thoroughly engrossing spectacles ever to have graced a cinema. Picking up from *The Two Towers*, *The Return of the King* sees the original Fellowship still fractured, with Frodo (Elijah Wood), Sam (Sean Astin) and duplicitous Gollum (Andy Serkis) making their way to Mount Doom. Meanwhile, Gandalf (Ian McKellen, pictured) tries to thwart Gondor's senile wannabe king (John Noble), while king-proper Aragorn (Viggo Mortensen) tries to raise an evil-smiting army. A magnificent conclusion to a cinematic saga that will probably never be topped.
